

BOOK&TABLE

Original Series: *Algebra*

Interactive math videos are now streaming on the Book&Table YouTube channel.

New York, May 3, 2021 – Today Book&Table announced the launch of their YouTube channel with their first original series: *Algebra*. This series includes 124 algebra lessons, 50 hours of instruction, and more than 800 practice questions, all streaming in 4K. Each lesson includes a thorough explanation of a concept, a step-by-step walkthrough of a practice question, and practice questions for the student to complete.

Book&Table's Founder/CEO, Maurice Wright, who graduated from Columbia University in 2009 with a Bachelor of Arts in Economics with a concentration in Mathematics, teaches each lesson in this series.
